Note

The appended letter shows that a Corpse has to be removed from Chanonry[pot] (Ch) to Kilspindie (C Mathie) on account of the foul Blunder of the Ch Town in regard to the closing of the Cemetery which was repeated upon yesterday in Rev Letter Thursday.

What a serious matter reflects on the mal-administration of the Ch Town! What a scandal. I think we should have a separate order taking serious notice of the action of the Town in this case. I think the Members' audit the suspended for the want of discretion & neglect of duty in not ascertaining the exact state of affairs before opening the order closing the Cemetery. What amount of inconvenience & heartburning has been caused & the scandalous blunder of the Town Council has imagined.

With reference to the enclosed letter from the Reverend J. W. Foley, Incumbent of All Saints and the Fort, Bangalore, dated 21st January 1901 I have the honor to request you will kindly inform me under what rules the Fort Cemetery at Bangalore was closed.

2. No reference whatever was made to this office regarding the closing of the old cemetery and the opening of the new one

3. It will be observed from

Mr Foley's letter that there is still plenty of room for further interments in the old cemetery available and I have the honor to request that you will kindly order the municipality to rescind its order dated 19th September 1900 regarding the closing of the Cemetery.

2 No Cemetery could be used for interments of members of the Church of England before it is Consecrated and it cannot be consecrated until it is properly laid out and suitably enclosed and protected.

R.K.

All Saints' Parsonage
Bangalore
21st January 1901.

My dear Archdeacon

On taking over charge of all Saints' church together with the fort, I found a notice dated 19th September 1900 from the Bangalore City Municipality stating that the old burial ground or Cemetery outside the Fort termed officially "Gorepalya South West of Fort near Gorepalya" would be closed "from and after the 12th December 1900"

A new site had been selected and allotted as a burial ground "South side of Mysore road and west of Madegarapalya" The Fort Trustee, Mr H Hardy

informed me that this site was open on all sides with no enclosing wall, and therefore altogether unfit for Christian burial.

I at once wrote to the President of the Municipality informing him that I absolutely refused to take burials in an unwalled or unenclosed Cemetery, and asked permission to continue burying in the old cemetery until a wall had been built round the new burial ground and the place put in proper order. I now enclose his answer and request you to take the matter up and approach the Resident of Bangalore officially.

There is plenty of room for further interments in the old cemetery, but

also

all I ask is that the Christians residing in the Fort should not be compelled to bury their dead in an open, unwalled Cemetery, the only alternative is to make use of the Ooscor Road Cemetery but that is about two and a half miles distant from the Fort. Have the Bangalore Municipality the right to close an old Cemetery before providing and at the same time property enclosing a new one? From the correspondence handed over to me, I perceive that the question of building this particular wall or walls has been before the Municipality for over two years.

The allowance is an extract -

1st December 1898.

Government approve of the cost of erecting the walls of the new Cemeteries being charged to Provincial Funds.

I now place the matter in your hands, and remain

Yours very truly

With reference to your letter of the 4th December 1900 saying that you cannot but allow burials in the old Christian Cemetery near Gorippalya until a wall is built round the new burial ground, I beg to state that, as interment in the former has been forbidden as per resolution of the Municipal board approved by Government, you will see the advisability of not

not doing anything contrary to it. Wall round the new ground will be raised early.

Sir,

With reference to Government
(slip). order No. 11136/F.716-98 dated the 22nd February
1901 forwarding for report copies of
letter No. 789 dated the 16th February 1901
from the First Assistant to the Re-
sident in Mysore and of its en-
closures regarding the closing of
the Fort Cemetery in the City of
Bangalore, I beg to state as
follows:—

2. On the outbreak of plague in
August 1898 the Hindus and

Cemeteries burial grounds in the Chamarajendrapete & Bangalore were first Closed as notified in Government Order No. 2778/Miss 21-96 dated the 27th August 1898. Subsequently the St Joseph's Cemetery (Roman Catholic) and the Protestant Cemetery in question near Goripalya behind the Fort, were also closed under Section 2 of the Epidemic Diseases Regulation of 1897 as published in Government Notification No. 3888/G. 21-96 dated the 19th September 1898. New sites were selected on the Bangalore-Hyderabad road in November 1898 and burial grounds both for the Protestants and the Roman Catholics were opened and the fact communicated thereon and there to the ministers of the respective Communities. The Construction of Compound walls

around these Cemeteries were sanc-
tioned in Government Order No 6879-
82/Mis/1546 dated the (18)th December
1898 and the estimates there for
were approved by Government
in Proceedings No 12149-57/Mis: 30-98 dated
the 25th April 1899. The progress of
the work was retarded owing to
the Contractor having failed to
carry it out according to the ori-
ginal terms of the Contract. When
this came to my notice (after my
taking Charge) arrangements were
made for the work being pushed
on expeditiously. It has been
fairly started and I hope will
be completed early

3. Despite the Government notifi-
-fication No 3888/Fy 21-96 dated the 19th
September 1898 quoted in para
2 above, burials took place in

the Closed Triplicane Cemetery in
Question till September 1900, when
the Closing of that and certain
other burial grounds formally,
under Section 190 of the Municipal
Regulations was notified as sanc-
-tioned in Government Order
No. 4919 / P.F. 16-98 dated the 5th October 1900.

4 As the Closing of the old
Cemeteries and the opening of
the new ones instead, were being
intimated from time to time
to the local Ministers of the respec-
-tive denominations it was not
considered necessary to Com-
-municate with the Venerable
Archdeacon of Madras in such
matters.
